

**THE INFORMATION AND COMMUNICATIONS TECHNOLOGY AUTHORITY
KENYA DIGITAL ECONOMY ACCELERATION PROJECT
ICTA-PROGRAM IMPLEMENTATION UNIT**

Name of Assignment: Upgrade of Local Area Network at Office of Attorney General and State Department of Justice
RFP Reference No.: KE-ICTA-459492-CW-RFB
Loan No./Credit No./Grant No.: IDA 7289-KE and 7290-KE
Country: Kenya
Date: 17th February 2025

RE: AMENDMENT OF RFB DOCUMENT THROUGH ADDENDUM NO. 1

In accordance with the Instructions to Consultants ITC 8 [*Amendment of Bidding Document*], the Client has amended the following sections of Specifications of the issued RFB Document:

S/No	Section	Reference to approved TOR	ICTA Comments/amendments
1.	Supply, Delivery & Installation of Network Monitoring & Management System	How many technicians are expected to log in to the system?	Unlimited, however, there are six (6) staff responsible for network administration
2.		How many devices, including computers and servers, are to be monitored?	The system should monitor network equipment; switches; routers, etc, uptime, downtime, access points, security/threats etc (The specifications attached in the tender document is indicative)
3.	Supply, Delivery & Installation of Grounding and Bonding Kit	How many earth bar points/floors require upgrading	36
4.		What is the required length of the 6mm YG earth cable	YG cable - 3 rolls

S/No	Section	Reference to approved TOR	ICTA Comments/amendments
5.	Supply, Delivery & Installation of Rack Mountable APC Smart-UPS	The specifications mention "240V, 50Hz, 2000VA, Rack Mountable APC Smart-UPS RM SMT3000 RM 2U (240V) Uninterrupted Power Supply unit (UPS) with USB and Serial Port or an approved equivalent." The SMT3000 model typically corresponds to a 3000VA unit. Could you confirm whether the requirement is strictly 2000VA?	Kindly quote for the 2000VA Unit
6.	Renew for 2 years the existing license for the FortiGate-601E 1 Year Enterprise Protection	How many servers and computers (nodes) are being licensed, and can we get the device serial numbers	FortiGate-601E 1 Year Enterprise Protection (IPS, AdvancedMalware Protection, Application Control, URL, DNS & Video Filtering, Antispam, Security Rating, IoT Detection, Industrial Security, FortiConverter Svc, and FortiCare Premium) - FG6H1E5819901796
7.	Network monitoring and management system	Kindly clarify if we can offer a subscription based compatible with proposed switches and access points	No subscription.
8.	Technical specifications for the video conference	Kindly clarify the mount kit required if its wall mount or stand-mounted.	Wall mount
9.	Technical evaluation point 13	Kindly clarify if required AMC is both OEM back to back support (with hardware replacements) and partner support.	This is clear in specifications; only partner support
10.	Technical evaluation point 9	Serial number for the FortiGate-601E is required in order to quote. Kindly assist with serial number.	FortiGate-601E 1 Year Enterprise Protection (IPS, AdvancedMalware Protection, Application Control, URL, DNS & Video Filtering, Antispam, Security Rating, IoT Detection, Industrial Security, FortiConverter Svc, and FortiCare Premium) - FG6H1E5819901796
11.	TECHNICAL EVALUATION CRITERIA No.5 Cable Upgrade	Are the materials in the Bill of Materials in the Tender Document for the Cable Upgrade, estimated 100 across the buildings	This is clear in the specifications in the tender document.

S/No	Section	Reference to approved TOR	ICTA Comments/amendments
12.	(Section III - Evaluation and Qualification Criteria Page 51-52) -	How does the Bidder determine the existing faulty points?	The bidder is to make sure that all ports are working by the time the work is done.
13.	Add new data points in identified locations (estimated 100 across the buildings:	We request to be accorded a second site survey to enable us to sufficiently size the Cable Upgrade requirement	This will not be possible again at this time. Everyone had a chance to view the site adequately
14.		In the scope for the firewalls, are we doing any configurations or it would be just a renewal	This is just a renewal
15.		Under "Sample Bill of Quantities, page 81 and Activity Schedule Item, page 83", there is no mention of the firewall.	Kindly quote for firewall.
16.	Firewall installation	<p>The supply of renewal licenses is not included in the price schedule for the bill of quantities. Kindly clarify if this part of the scope.</p> <p>If this is part of the scope, kindly share the serial numbers of the firewalls.</p> <p>Renew for 2 years the existing license for the FortiGate -601E 1</p> <p>Year Enterprise Protection</p>	FortiGate-601E 1 Year Enterprise Protection (IPS, AdvancedMalware Protection, Application Control, URL, DNS & Video Filtering, Antispam, Security Rating, IoT Detection, Industrial Security, FortiConverter Svc, and FortiCare Premium) - FG6H1E5819901796
17.		We are seeking clarification on whether new cables (CAT 6) will be supplied since this item is not listed in your bill of quantities and there is a requirement to install 51 access points of which, from the site visit, most of them require new cabling works.	New cables will be supplied, please include in the price schedule.

Table K: Supply and Installation of Rack-Mountable UPS

Specification	Details
Type	Smart-UPS C 2000VA 2kVA LCD
Output Power Capacity	2 kVA / 1300 W
Topology	Line-Interactive
Waveform Type	Sine Wave
Output Voltage	230V
Nominal Input Voltage	230V
Input Voltage Range	180V – 287V (adjustable for main operations)
Input Connection Type	IEC 320 C14
Input Frequency	50/60 Hz \pm 3 Hz (auto-sensing)
Output Connections	8 x IEC 320 C13
Transfer Time	4 ms typical, 8 ms maximum
Surge Energy Rating	365 Joules
Battery Type	Maintenance-free sealed Lead-Acid battery
Battery Recharge Time	3 hours to 90% capacity
Hot-swappable Batteries	Yes

Battery Replacement	User-replaceable
Typical Backup Time at Half Load	13.2 minutes at 650 W
Typical Backup Time at Full Load	4.6 minutes at 1300 W
LCD Display	Provides status updates (e.g., battery status, load capacity, runtime)
Communication Ports	USB, Serial, and optional SmartSlot for network management
Management Software	PowerChute Business Edition for safe shutdown and energy management
Rack Height	2U (Rack Mountable)
Noise Level	< 45 dB at 1 meter distance
Warranty	2 years repair or replace
<i>The contractor/supplier is required to meet or exceed these specifications. Original and highlighted brochures indicating the specifications MUST be submitted.</i>	

This addendum No. 1 forms part of the issued RFB document. All other terms and conditions of the RFB document remain unchanged.
