

ADDENDUM NO.2

TENDER NAME: ICTA/OT/20/2023-2024 PROVISION OF INTERNET BANDWIDTH & PUBLIC WI-FI SERVICES (FRAMEWORK CONTRACTING)

DATE: 8<sup>th</sup> May, 2024

S.No	Technical Specification	Clarification	CLARIFICATION/ RESPONSE
1.	It is the responsibility of the bidder to integrate with ICTA Public Wi-Fi management tools (Controller, Captive portal, and NMS) and cater for any extra licenses required.	Which specific tools exist in the NOC that will require license upgrades for the bidder to provide?	On the matter of the support tools, the ICT Authority would like to advise that we have contracted some of our services at the Network Operations Centre to a services provider MS Baran Telecom Networks (BTN). As such, bidders that require further information regarding the requirements of the Public WiFi management tools can get in touch with our service provider on <a href="mailto:info@btn-solutions.co.ke">info@btn-solutions.co.ke</a> or call them on 0111 044 044
2.	b) Certified by the Communications Authority to offer Telecommunications services. (Attach CA Certificate)	Please clarify a License or Certificate from CA. NFP-Tier 1 is a license	On the CA issue - the requirement is NFP-Tier 1 license
3.		Request for Tender Extension	The current closing date has been extended by a further 5 days. The new Tender closing date shall be Tuesday 14 <sup>th</sup> May, 2024 at 10.00 a.m.

The addendum & clarification form part of the bidding document and is binding on all bidders. All other terms and conditions of the tender remain the same.

CEO, ICT Authority
